The recitals are incorporated into this Declaration by this reference.

ARTICLE 2. METRO DISTRICT

Section 2.1 Authority.

Declarant delegates certain governance matters to the Metro District. Declarant, through this Declaration, grants authority to the Metro District to act on behalf of Declarant for certain matters specifically set forth in this Declaration, including implementing this Declaration.

ARTICLE 3. ARCHITECTURAL REVIEW

Section 3.1 Composition of Architectural Review Committee.

The ARC will consist of three (3) or more Persons unless the Person with the authority to appoint the members of the ARC has delegated some or all of the architectural authority pursuant to

Section 3.2. The Declarant has the authority to appoint and remove the members of the ARC, and/or to delegate some or all architectural authority (as provided in Section 3.2 hereof) during the Declarant Development Period. After expiration of the Declarant Development Period, the governing board of the Metro District has the authority to serve as, appoint and remove the members to the ARC, and/or to delegate some or all architectural authority (as provided in Section 3.2 hereof). The appointments of all then-current members of the ARC who were appointed by the Declarant shall automatically terminate on the date which is thirty (30) days after expiration of the Declarant Development Period.

Section 3.2 Delegation of Authority.

The Person with the authority to appoint the members of the ARC, as provided in the preceding Section 3.1, shall have the right and authority to: (i) delegate, in writing, some or all architectural authority to one or more other Persons, including one or more management companies or metropolitan or other district(s), such as by entering into intergovernmental agreement(s) or other document(s) or agreement(s); and (ii) withdraw, in writing, any delegated authority.

Section 3.3 Architectural Review Requirements; Authority of ARC

3.3.1 Subject to the provisions of this Declaration, no Improvement may be constructed, erected, placed, altered, planted, applied, installed or modified, upon any Lot, unless the Improvement is in full compliance with all provisions of the Governing Documents. Prior to constructing, erecting, placing, altering, planting, applying, installing or modifying an Improvement upon any Lot, the Owner of the Lot must submit Plans and Specification of the proposed Improvement to the ARC for review and consideration, and then receive approval in writing from the ARC, all in accordance with the Guidelines and/or Rules and Regulations. An Owner may designate in writing a Person other than Owner to submit Plans and Specifications as a co-applicant with Owner.

3.3.2 The ARC shall endeavor to exercise its judgment in an attempt to provide for each proposed Improvement to generally harmonize with the existing surroundings, residences, landscaping and structures. Neither the Declarant nor ARC will review or approve any proposed Improvements regarding whether the same complies with Applicable Laws. Rather, as provided in Section 3.3.3, below, Owner is required to submit proposed Improvements to the applicable governmental entities for approval and a determination of compliance with Applicable Laws. In its review of the Plans and Specifications, the ARC may require, as a condition to its considering an approval request, that the Owner pay Fees and reimburse the ARC for the expenses incurred in the process of review and approval or disapproval of the Plans and Specifications.

3.3.3 In addition to the foregoing review and approval, and notwithstanding anything to the contrary in this Declaration, prior to the construction, erection, addition, deletion, change or installation, of any Improvement, Owner must obtain the approval of all governmental entities with jurisdiction there over, and issuance of all required permits, licenses and approvals by all such entities. Owner is solely responsible for compliance with Applicable Laws.

3.3.4 The ARC may, at any time, appoint a representative or committee to act on its behalf. During the Declarant Development Period, the Declarant may contract with the Metro District in order for the Metro District to provide the architectural review services. If so, then the actions of

such representative or committee, or the Metro District, as applicable, shall be the actions of the ARC. However, if such a representative or committee is appointed, then the ARC shall have full power over such representative or committee, including the power to at any time withdraw from such representative or committee, any authority to act on behalf of the ARC, and the power to at any time remove or replace such representative or committee.

Section 3.4 Guidelines.

If the Guidelines conflict with this Declaration, this Declaration controls. The Guidelines bind the Property and each Owner. The Declarant, the Metro District or the ARC with the prior, written approval of the Person who then has the authority to appoint the ARC, as provided in Section 3.1 of this Declaration, may promulgate, adopt, enact, modify, amend, repeal, and re-enact, architectural standards, rules, regulations and/or guidelines, regarding architectural matters and matters incidental thereto (collectively the "**Guidelines**"). The Guidelines may include, without limitation: clarification of designs and materials that may be considered in architectural approval and requirements for submissions, procedural requirements, and specification of acceptable Improvements that may be installed without prior review or approval. The Guidelines may permit the Metro District to send demand letters and notices, levy and collect Fees, Fines and interest, and negotiate, settle and/or take any other actions with respect to any violation or alleged violation of any of the Governing Documents. In addition, the Guidelines may provide for blanket approvals, interpretations, or restrictions. By way of example, and not by way of limitation, the Guidelines may state that a certain type of screen door will be acceptable and will not require approval, or may state that only one or more types of fences are acceptable and no other types will be approved. All Improvements proposed to be constructed, erected, placed, altered, planted, applied, installed or modified, upon any Lot by any Owner shall be done and used in accordance with the Guidelines and this Declaration. The Guidelines (as amended from time to time in accordance with their terms) shall not be recorded against the Property but are hereby incorporated into this Declaration as if fully set forth herein.

Section 3.5 Procedures.

The ARC will review and approve in writing (which may be with conditions and/or requirements), or disapprove, each request for architectural approval within forty-five (45) days after the complete submission to the ARC, along with receipt acknowledgement by the ARC, of the Plans and Specifications and other materials and information which the ARC may require in conjunction therewith in accordance with the design review procedures set forth in the Guidelines or the Rules and Regulations. If the ARC fails to review and approve in writing (which may be with conditions and/or requirements), or disapprove, a request for architectural approval within forty-five (45) days after the complete submission of the Plans and Specifications and other information requested with respect thereto, such request is deemed approved by the ARC.

Section 3.6 Vote.

The affirmative, majority vote of the present members of the ARC is required for approval (which may be with conditions and/or requirements) of each matter, unless the Person with the authority to appoint the ARC, as provided in Section 3.1, has delegated, in writing, some or all architectural

authority, to one or more other Persons or the ARC has appointed a representative or committee to act for it, in which case the decision of such Person, representative or committee shall control.

Section 3.7 Prosecution of Work After Approval.

After approval (which may be with conditions and/or requirements) of any proposed Improvement, Owner is required to complete and construct the Improvement promptly and diligently, and in complete conformity with all conditions and requirements of the approval and any provision of the Guidelines relating to construction. Except for Declarant or Declarant's Affiliates, failure to complete the proposed Improvement within one (1) year after the date of approval of the application (the "**Completion Deadline**"), or to complete the Improvement in complete conformance with the conditions and requirements of the approval, constitutes noncompliance with the provisions of this Declaration; provided, however, that the ARC may grant extensions of time for completion of any proposed Improvements, either (a) at the time of initial approval of such Improvements, or (b) upon the request of any Owner, provided such request is delivered to the ARC in writing; provided that the Owner is diligently prosecuting completion of the subject Improvements or other good cause exists at the time such request is made.

Section 3.8 Notice of Completion.

Upon the completion of any Improvement, Owner will submit a written "**Notice of Completion**" to the ARC on forms provided by the ARC. Until the date of receipt of such Notice of Completion, the ARC shall not be deemed to have notice of completion of any Improvement for which approval (which may be with conditions and/or requirements) has been sought and granted as provided in this Article.

Section 3.9 Inspection of Work.

The ARC, or its duly authorized representative, has the right to inspect any Improvement at any time, including prior to or after completion, to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article. However, such right of inspection shall terminate ninety (90) days after the ARC has received a Notice of Completion from the applicant and no action has been initiated by the ARC. The 90-day period to perform inspections after the ARC has received a Notice of Completion does not apply to or limit the right or authority of the Metro District, Enforcement Committee or ARC to require compliance with the Improvement review and approval process as set forth in this Declaration and the Guidelines, or the right or authority of the Metro District or Enforcement Committee to enforce this Declaration, the Guidelines, or any Rules and Regulations, including but not limited to the requirements pertaining to the maintenance of Improvements.

Section 3.10 Notice of Noncompliance.

If, as a result of inspections or otherwise, or following receipt of a Notice of Completion, the ARC determines that any Improvement has been constructed without obtaining all required approvals (which may be with conditions and/or requirements), or was not constructed in substantial compliance with the approval that was granted, or has not been completed by the Completion Deadline (except landscaping, as provided below), subject to any extensions of time granted pursuant to Section 3.7

hereof, then the ARC will notify the applicant in writing of the non-compliance, specifying the particulars of the noncompliance (“**Notice of Noncompliance**”).

Section 3.11 Correction of Noncompliance.

If the ARC determines that a non-compliance exists, the Person responsible for such non-compliance must remedy or remove the same, and return the subject property or structure to a condition acceptable to the ARC, within the period specified in the Notice of Noncompliance. If such Person does not comply with the Notice of Noncompliance by amending the condition within the period specified, the ARC may submit the Notice of Noncompliance to the Metro District for enforcement. The Metro District may at its option, record a notice of non-compliance against the Lot on which the non-compliance exists, may impose Fees, Fines, penalties and interest, may remove the non-complying Improvement, or may otherwise remedy the non-compliance, and the Person responsible for such non-compliance shall reimburse the Metro District, upon demand, for all costs and expenses, as well as anticipated costs and expenses, with respect thereto.

Section 3.12 Cooperation.

The ARC has the right and authority to enter into agreements and otherwise cooperate with any architectural review or similar committees, any metropolitan or other districts, or one or more boards or committees that exercise architectural or design review functions, or any other Person, in order to increase consistency or coordination, reduce costs, or as may otherwise be deemed appropriate or beneficial by the ARC. The interior portions of any Residential Unit are not subject to the easements provided for in this Section.

Section 3.14 No Liability.

Neither the Declarant, the ARC, the Metro District, the Person who then has the authority to appoint the ARC, nor any representative or committee appointed by the ARC or any member of any such committee (the “**Released Parties**”) are liable or shall be liable to any Person by reason of any action, failure to act, approval (which may be with conditions and/or requirements), disapproval, or

In reviewing or approving any matter, the Released Parties are not be responsible for any issue related to the Improvements, whether structural or otherwise, and whether submitted for review or otherwise. The Released Parties are not responsible for any matter related to safety. The Released Parties are not responsible for the conformance of Improvements with applicable Law or compliance with any other standard or regulation, and any approval (which may be with conditions and/or requirements) of any Improvement by the ARC will not be deemed an approval of any such matters, will not be deemed to represent that the Improvement conforms to Applicable Law or complies with any other standards or regulations, and will not constitute a warranty by the ARC to any applicant of the adequacy of design, workmanship or quality of such work or materials for any applicants' intended use. No Owner or other Person is a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by, the Released Parties. Each Owner (i) waives and releases the Benefited Parties from all Claims related to approval or disapproval of any Improvements and (ii) waives and releases all Claims against the Benefited Parties. The foregoing release and waiver are made by each Owner to the fullest extent permitted by the law and for and on behalf of itself, its assigns, executors, heirs, occupants, personal representatives, representatives, and successors. The ARC members, acting in that capacity, shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The ARC members, acting in that capacity, have no personal liability with respect to any contract or other commitment made or action taken on behalf of the ARC.

Section 3.15 Variance.

The ARC may, but under no circumstances is obligated to grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration or by the Guidelines, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments will be granted in the ARC's sole discretion and may only be granted if such variance does not impose a material detriment or injury to the other property or improvements within the Property and does not militate against the general intent and purpose hereof. However, any variance that may be granted under this Section is only a variance from the requirements of the applicable Governing Document for the individual applicant, and is not a variance from the requirements of any applicable governmental or quasi-governmental agency or entity. No granting of a variance or adjustment to any one applicant/Owner shall constitute a variance or adjustment, or the right to a variance or adjustment, to any or all other applicants/Owners.

Section 3.16 Waivers; No Precedent.

The approval or consent of the ARC, or any representative or committee thereof, to any application for approval does not constitute a waiver of any right to withhold or deny approval or consent by such Person, or any Person, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent as to any other matter. Any changes in Plans and Specifications previously approved by the ARC must be reviewed and approved by the ARC in the same manner as the initial Plans and Specifications.

Section 3.17 Declarant's Exemption.

Notwithstanding anything to the contrary, Declarant, Declarant's Affiliates, and the Metro District are exempt from any and all other matters that require ARC review and/or approval.

The consent of the existing Owners shall not be required for the exercise of these rights, and Declarant may proceed to exercise such rights without limitation, at its sole option.

9.1.2 Exercise of Rights. Declarant may exercise any Development Rights with respect to all or a portion of different parcels of real property at different times in whatever order and to whatever extent Declarant, in its sole discretion, may determine.

Section 9.2 Interpretation.

For purposes of this Article 10 only, the following terms have the meanings set forth in this Section 10.1:

10.1.1 “JAG” means the Judicial Arbiter Group or any other Person agreed to by the Claimant and Respondent in writing for the purpose of performing the functions of the Judicial Arbiter Group under this Declaration with a minimum of ten (10) years’ experience in the subject matter of the dispute. In the event that the Judicial Arbiter Group becomes unwilling or unable to perform its functions under this Declaration, JAG shall refer to any organization in the Denver Metropolitan Area

designated by the Metro District that specializes in the provision of impartial mediation and arbitration services and that has a minimum of ten (10) years experience in the provision of such services.

10.1.2 “Bound Party” means each of the Persons subject to this Declaration and any Person not otherwise subject to this Declaration who agrees to submit to this Article 10. Notwithstanding the foregoing, “Bound Party” does not include any of the parties identified in this subsection 10.1.2 if such parties have jointly entered into a separate written agreement providing for dispute resolution applicable to the Claim; in such circumstance, the dispute resolution mechanism set forth in such separate written agreement between such parties shall apply with respect to such Claim unless the parties mutually agree to submit such Claim to the provisions of this Article 10.

10.1.3 “Claimant” means any Bound Party having a Claim.

10.1.4 “Claim” means, except as exempted by the terms of this Article 10, any claim, grievance or dispute between one Bound Party and another, regardless of how the same may have arisen or on what it might be based, including those arising out of or related to the interpretation, application or enforcement of any of the Governing Documents or the rights, obligations and duties of any Bound Party under any of the Governing Documents; or (ii) any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party.

10.1.5 “Notice” means the written notification given by a Claimant to a Respondent and which shall comply with the requirements of subsection 10.5.1

10.1.6 “Party” means the Claimant and the Respondent individually; “Parties” means the Claimant and the Respondent collectively.

10.1.8 “Termination of Mediation” means a period of time expiring thirty (30) days after submission of the matter to mediation (or within such other time as determined by the mediator or agreed to by the Parties) and upon the expiration of which the Parties have not settled the Claim.

10.1.9 “Termination of Negotiations” means a period of time expiring thirty (30) days after the date of the Notice (or such other period of time as may be agreed upon by the Parties) and upon the expiration of which the Parties have not resolved a Claim.

Section 10.2 Intent of Article; Applicability of Article; and Applicability of Statutes of Limitation.

10.2.1 Each Bound Party agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit any Claims to the procedures set forth in Section 10.4.

10.2.2 By acceptance of a deed to a Lot, each Owner agrees to abide by the terms of this Article 10.

10.2.3 Any applicable statute of limitation shall apply to the alternative dispute resolution procedures set forth in this Article 10.

Section 10.3 Commencement or Pursuit of Claim Against Bound Party.

10.3.1 A Bound Party may not commence or pursue a Claim against any other Bound Party except in compliance with this Article 10.

10.3.2 Prior to any Bound Party commencing any proceeding to which another Bound Party is a party, the Respondent shall have the right to be heard by the Claimant, and to access, inspect, correct the condition of, or redesign any portion of any Improvement as to which a defect is alleged or otherwise correct the alleged dispute.

Section 10.4 Claims.

Unless specifically exempted below, all Claims between any of the Bound Parties are subject to the provisions of Article 10. Notwithstanding the foregoing, unless all Parties otherwise agree, the following are not Claims and shall not be subject to the provisions of this Article 10:

10.4.1 Any action or suit by the Metro District, the ARC or Declarant to enforce any provisions of the Governing Documents, including obtaining a temporary restraining order or injunction (or equivalent emergency equitable relief) and such other ancillary relief as a court may deem necessary;

10.4.2 Any suit between or among Owners, which does not also include Declarant, Declarant's Affiliates, Metro District, the ARC, or the Enforcement Committee as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents;

10.4.3 Any claim, grievance or dispute involving allegations of defects in the design or construction of any Improvements;

10.4.4 Any claim, grievance or dispute subject to the provisions of the Construction Defect Action Reform Act, Colo. Rev. Stat. § 13-20-801 to -808, as it may be amended from time to time; and

10.4.5 Any suit in which any indispensable party is not a Bound Party.

Section 10.5 Mandatory Procedure.

10.5.1 Notice. Prior to proceeding with any Claim against a Respondent, each Claimant shall give a Notice to each Respondent, which Notice shall state plainly and concisely:

10.5.1.1 The nature of the Claim, including all Persons involved and Respondent's role in the Claim;

10.5.1.2 The legal basis of the Claim (i.e., the specific authority out of which the Claim arises); the proposed remedy; and

10.5.1.3 The fact that Claimant will give the Respondent an opportunity to inspect all Property and Improvements potentially involved with the Claim, and that Claimant will meet with Respondent not later than thirty (30) days after such inspection to discuss in good faith ways to resolve the Claim.

10.5.2 Negotiation and Mediation.

10.5.2.1 The Parties will make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, any Party may appoint a representative to assist the Parties in negotiation.

10.5.2.2 Upon a Termination of Negotiations, Claimant has thirty (30) days to submit the Claim to mediation under the auspices of JAG in accordance with the rules of JAG in effect on the date of the notice that is provided for in subsection 10.5.1.

10.5.2.3 If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant waives the Claim, and Respondent will be released and discharged from any and all liability to Claimant on account of such Claim.

10.5.2.4 Any settlement of the Claim through mediation must be documented in writing by the mediator and signed by the Parties. If a Termination of Mediation occurs, the mediator must issue a notice of Termination of Mediation. The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

10.5.2.5 Each Party will bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.

10.5.2.6 If the Parties agree to a resolution of any Claim through negotiation or mediation and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Article 10. In such event, the Party taking action to enforce the agreement will recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including attorneys' fees and court costs.

10.5.3 Binding Arbitration.

10.5.3.1 Upon Termination of Mediation, if Claimant desires to pursue the Claim, Claimant may initiate final, binding arbitration of the Claim under the auspices of JAG in accordance with the rules of JAG in effect on the date of the Notice that is provided for in Section 10.5 of this Declaration. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by

the Parties, one arbitrator who has expertise in the areas of dispute, which may include legal expertise if legal issues are involved, will arbitrate the dispute.

10.5.3.2 Each Party shall bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the arbitrator shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non- contesting Party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

Section 10.6 Award.

The award of the arbitrator must be accompanied by detailed written findings of fact and conclusions of law. Except as required by Applicable Law or for confirmation of an award, neither Party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all Parties.

ARTICLE 11. GENERAL PROVISIONS

Section 11.1 Powers and Authority.

The Property is or will be located within the boundaries of the Metro District. Declarant authorizes the Metro District to perform covenant enforcement and design review services as set forth in this Declaration, and the Metro District has agreed to perform covenant enforcement and design review services as set forth in this Declaration. The Metro District may exercise with regard to the Property, all powers and authority reasonably necessary to administer the rights and duties of the Metro District under this Declaration, including, without limitation: (a) the power to adopt and amend budgets for revenues, expenditures, and reserves; (b) the power to collect taxes and Fees from Owners to administer its duties and obligations provided in this Declaration; (c) the power to manage and enforce the Governing Documents; (d) the power to contract with a third-party property manager for the management of the Property and/or for all other duties and responsibilities related to the overall operation of the Property; and (e) all other rights, powers and authority necessary to enforce this Declaration. The Metro District has the power to levy Fees, Fines and other penalties for Violations of the Governing Documents, as allowed by Applicable Law and as set forth in this Declaration.

Section 11.2 Delegation.

The duties, easements, responsibilities, and rights that are reserved and granted under this Declaration may be delegated in whole or in part by Declarant, Declarant's Affiliates, and the Metro District to an agent or management company that is acting on behalf of Declarant, Declarant's Affiliates, or the Metro District with respect to all or part of the Property. The right and authority of Declarant under this Declaration automatically ceases upon expiration of Declarant Development Period at which time the foregoing reserved rights vest solely in the Metro District.

Section 11.3 Enforcement.

Subject to the provisions of Article 10 of this Declaration (Alternative Dispute Resolution), enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges and other provisions contained in this Declaration, the Rules and Regulations, the Guidelines and any other Governing Documents, as at any time amended, may be by any proceeding at law or in equity against any Persons violating or attempting to violate any such provision, and possible remedies include all of those available at law or in equity. Subject to the provisions of Article 10 of this Declaration (Alternative Dispute Resolution), Declarant and the Metro District have the right, but not the duty, to institute, maintain and prosecute any such proceedings. No remedy shall be exclusive of other remedies that may be available. Subject to the provisions of Article 10 of this Declaration (Alternative Dispute Resolution), in any action instituted or maintained under this Declaration or any other such documents, the prevailing party shall be entitled to recover its costs and attorneys' fees incurred in asserting or defending the claim, as well as any and all other sums; except that, any Person who brings an action against the Declarant, any Builder, the Metro District, or the ARC, regarding enforcement, or non-enforcement, of any provision of the Governing Documents, shall not be awarded their costs or any attorney fees. Failure by Declarant, the Metro District, and/or ARC to enforce any covenant, restriction or other provision contained in this Declaration shall in no event give rise to any liability, nor shall such non-enforcement be deemed a waiver of the right to thereafter enforce any covenant, restriction or other provision of this Declaration.

11.3.1 Each Owner, by its acceptance of title to a Lot, assigns and delegates and consents to the assignment and delegation to the Metro District, in their own name as an Owner of property within the Property, the authority, power, right, and responsibility to enforce the Governing Documents. The foregoing shall include the right of the Metro District to send demand letters and notices, to charge interest and/or late charges, to levy and collect Fines, to impose liens (as provided in C.R.S. Section 32-1-1001(j)(1), as amended), to negotiate, settle and/or take any other actions, with respect to any violation(s), or alleged violation(s), of any of the Governing Documents.

Section 11.4 Severability.

All provisions of this Declaration are severable. Invalidation of any of the provisions, including any provisions of Article 10 of this Declaration (Alternative Dispute Resolution), by judgment, court order or otherwise, shall in no way affect or limit any other provisions, which remain in full force and effect.

Section 11.5 Duration, Revocation and Amendment.

11.5.1 Each and every provision of this Declaration runs with and binds the land, perpetually from the date of recording of this Declaration. Except as otherwise provided in this Declaration, and except for provisions of this Declaration regarding the rights and obligations of Declarant or Declarant's Affiliates, which may not be amended without Declarant's prior written consent, this Declaration may be amended by a vote or agreement of Owners of at least sixty-seven percent (67%) of the Lots subject to the Declaration at the time notice is provided to Owners of a vote on the proposed amendment, as determined by the Metro District in its discretion; provided that, until the expiration of the Declarant Development Period, no amendment of this Declaration shall be effective without the prior, written consent of Declarant and the Metro District.

11.5.2 During the Declarant Development Period, this Declaration may be amended in whole or in part, at any time, by Declarant without the consent or approval of any other Owner or any other Person, in order to correct clerical, typographical, or technical errors, or any provision to clarify this Declaration.

Section 11.6 Subdivision or Replatting of Lots.

Declarant reserves for itself and its successors and assigns the right to subdivide or replat any Lot owned by Declarant. Each such subdivision or replatting may change the number of Lots in the Property. The foregoing reservation includes the right to move any lot lines on Lots for the purpose of accommodating Improvements which are, or may be constructed. The rights provided for in this Section 11.6 shall terminate 25 years after recording of this Declaration in the Recorder's Office.

Section 11.7 Withdrawal.

During the Declarant Development Period, Declarant reserves for itself and its successors and assigns the right to withdraw the Property, or any portion thereof, including one or more Lots, on a Lot by Lot basis, from this Declaration, so long as Declarant owns the portion of the Property to be withdrawn, effective upon the recordation of a Supplemental Declaration, executed by Declarant, referring to this Declaration, describing such portion and declaring that such portion be withdrawn from the Property under this Declaration. Declarant will provide a copy of the Supplemental Declaration to the Metro District. The recording of any such written instrument and the withdrawal of any portion of the Property does not require the consent or ratification of any Owner or other owner of any portion of the Property other than Declarant, but shall require the written consent of an Owner of the portion of the Property being withdrawn, if and only if at the time such portion of the Property then being withdrawn from the Property is not then owned by Declarant.

Section 11.8 Annexation.

During the Declarant Development Period, Declarant may annex to the Property additional property, including any property which may previously have been withdrawn from the Property and such additional property will be made subject to this Declaration. Each annexation, if any, may be accomplished by recording of an annexation document that shall be considered a Supplemental Declaration under this Declaration that expressly and unequivocally provides that the property described therein shall be subject to this Declaration and all terms and provision hereof.

Section 11.9 Supplements to this Declaration.

If Declarant elects to submit any additional real property to this Declaration, such additions shall be described in and effected by a Supplemental Declaration. The recording of any such Supplemental Declaration and the resulting expansion of the Property shall not require the consent or ratification of any Owner other than Declarant. A Supplemental Declaration may impose on the real property described therein additional covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and provisions other than those set forth in this Declaration, taking into account the unique and particular aspects of the real property covered thereby. Upon Recordation of a Supplemental Declaration, the portion of the real property subject to the Supplemental Declaration shall become part

of the Property and shall be subject to all covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and other provisions set forth in this Declaration. Any additional use restrictions contained in a Supplemental Declaration only apply to the real property subject to that Supplemental Declaration. Nothing in this Declaration may be construed to obligate Declarant to make any real property, other than the Property, subject to this Declaration. The withdrawal of any portion of the Property shall be effective upon the recordation of a Supplemental Declaration, executed by Declarant, referring to this Declaration, describing such portion and declaring that such portion be withdrawn from the Property under this Declaration. The recording of any such written instrument and the withdrawal of any portion of the Property does not require the consent or ratification of any Owner or other owner of any portion of the Property other than Declarant, but shall require the written consent of an Owner of the portion of the Property being withdrawn, if and only if at the time such portion of the Property then being withdrawn from the Property is not then owned by Declarant.

Section 11.10 Notice.

Unless otherwise required by Applicable Law or this Declaration, any requirement to deliver any notice, statement, demand, document or record to an Owner shall be deemed satisfied by sending the same to an Owner by electronic delivery if the Owner has provided an electronic mail or delivery address to the Metro District. Otherwise, an Owner, shall register his mailing address with the Metro District, and any notice, statement, demand, document or record intended to be delivered upon an Owner must be sent by U.S. mail, postage prepaid, addressed in the name of such Person at such registered mailing address. However, if any Owner fails to notify the Metro District of a registered address, then any notice, statement, demand, document or record may be delivered or sent to such Owner at the address of such Owner's Unit.

Section 11.11 Limitation on Liability.

Benefited Parties shall not be liable to any Person for any action or for any failure to act arising out of the Governing Documents, if any, unless the action or failure to act was not in good faith and was done or withheld with malice. Further, neither the Metro District nor the ARC nor the Enforcement Committee waives, and no provision of this Declaration is a waiver of, the immunities and limitations to which the Metro District the ARC and the Enforcement Committee have as a matter of law, including the Colorado Governmental Immunity Act, §24-10-101, et seq. C.R.S., as amended. Any releases and waivers in this Declaration apply to this Section 11.11.

Section 11.12 No Representations, Guaranties or Warranties.

To the fullest extent permitted by Colorado law, the Benefitted Parties disclaim all warranties of any kind, express or implied, including, without limitation, any implied warranties or habitability, suitability, or fitness for a particular purpose, and no representations, guaranties or warranties of any kind, express or implied, including, without limitation, any implied warranties of habitability, suitability, or fitness for a particular purpose are given or made by any Benefitted Parties, in connection with any portion of the Property, or any Improvement, its physical condition, structural integrity, freedom from defects in design or construction, zoning, compliance with applicable laws, fitness for intended use, or view, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, unless and except as specifically set forth in writing.

Section 11.13 Disclaimer Regarding Safety.

THE BENEFITTED PARTIES DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE PROPERTY. BY ACCEPTING A DEED TO A LOT WITHIN THE PROPERTY, EACH OWNER ACKNOWLEDGES THAT THE BENEFITTED PARTIES ARE OBLIGATED TO DO ONLY THOSE ACTS SPECIFICALLY ENUMERATED IN THIS DECLARATION, IF ANY, AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE PROPERTY.

Section 11.14 Waiver of Trial.

BY ACCEPTING A DEED TO ANY LOT, EACH OWNER KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY A JURY OR TO A JUDGE WITH RESPECT TO ANY AND ALL ISSUES PRESENTED IN ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM BROUGHT BY THEM AGAINST DECLARANT OR ITS SUCCESSORS WITH RESPECT TO ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THIS DECLARATION OR ANY DOCUMENT, OR ANY CLAIM ARISING OUT OF ALLEGATIONS OF DEFECTIVE CONSTRUCTION.

Section 11.15 Development Within and Surrounding the Property.

Each Owner acknowledges that development within and surrounding the Property may continue for an indefinite period, and that plans for the density, type and location of improvements, developments or land uses may change over time. Such development may entail changes to or alterations in the access to the Property, views of or from the Property, the Lots or the Units, surrounding land uses, open space or facilities, traffic volumes or patterns, privacy or other aspects or amenities. Development also may entail noise, odors, unsightliness, dust and other inconveniences or disruptions. By accepting a deed to a Lot or a Unit, each Owner accepts title to such Lot or Unit, as applicable, subject to the foregoing, and waives and releases any claim against the Benefited Parties, arising out of or associated with any of the foregoing. The release and waiver set forth in Section 11.18 (Waiver) shall apply to this Section 11.15.

Section 11.16 Metro District May Assign.

The Metro District may engage one or more third party independent contractors to carry out and enforce all or a portion of the provisions of the Declaration, the Guidelines, the Rules and Regulations and any supplemental documents and agreements related to the provision of covenant enforcement and design review services within the Property. Any such contractors shall be engaged under the sole direction and of control of the Metro District.

Section 11.17 Waiver.

By acceptance of a deed to a Lot, each Owner releases, waives, and discharges the Benefited Parties from all losses, claims, liabilities, costs, expenses, and damages, arising directly or indirectly from any hazards, disclosures or Property Risks set forth in this Declaration.

Section 11.18 Headings.

The Article, Section and subsection headings in this Declaration are inserted for convenience of reference only, do not constitute a part of this Declaration, and in no way define, describe or limit the scope or intent of this Declaration or any of the provisions hereof.

Section 11.19 Gender.

Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular and the use of any gender shall be applicable to all genders.

Section 11.20 Action.

Any action that has been or may be taken by Declarant, the Metro District, the ARC the Enforcement Committee, or any other Person, may be taken “at any time, from time to time.” Each provision that authorizes, directs or permits action shall be deemed to include such language.

Section 11.21 Sole Discretion.

All actions which are to be taken by, or on behalf of, Declarant, the Metro District, the ARC, or the Enforcement Committee, or any other Person, shall be deemed to be taken “in the sole discretion” of such Person.

Section 11.22 Use of “Include,” “Includes,” and “Including.”

All uses, in this Declaration, of the words “include,” “includes,” and “including,” shall be deemed to include the words “without limitation” immediately thereafter.

Section 11.23 No Waiver.

No term or condition of this Declaration shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections or other provisions of the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101, et seq. afforded to the Metro District, the Enforcement Committee and/or the ARC.

Section 11.24 Exemption.

Notwithstanding anything in this Declaration to the contrary, (a) neither Declarant, Declarant’s Affiliates, nor any of their activities shall in any way be subject to the control of, or under the jurisdiction of the Metro District, the ARC or the Enforcement Committee (including any Guidelines or Rules and Regulations), nor shall Declarant or Declarant’s Affiliates be required to seek the approval or consent of the Metro District, the ARC or the Enforcement Committee for any construction or other work to be performed by or on behalf of Declarant in the Property and (b) nothing contained in this Declaration shall be construed to prevent or limit (i) Declarant’s exercise or enjoyment of any Special

Declarant Right, Additional Reserved Right, Development Right or any other right of Declarant under this Declaration or (ii) the conduct by Declarant, Declarant's Affiliates or their respective employees or agents, as applicable, of any activity, including, without limitation, the erection or maintenance of temporary structures, trailers, improvements or signs, necessary or convenient to the development, construction, marketing or sale of the Property or any other property. Declarant, in its sole discretion, may also exempt a Builder from the provisions of Article 3, (a) as long as the Builder has received written design approval under the Design Guidelines from Declarant, and/or (b) for activities which Declarant deems to be incidental to the Builder's development activities, in Declarant's sole and absolute discretion. This exemption terminates upon expiration of Declarant Development Period.

Section 11.25 Runs with the Land; Binding Upon Successors.

ARTICLE 12. DISCLOSURES

Section 12.1 No Liability for Condition of the Property/Nuisances/Hazards Associated with Adjacent Lands.

By purchasing a Lot or Unit, or any portion thereof, each Owner acknowledges that the Lot or Unit may be located adjacent to or in relatively close proximity to property utilized for commercial and other non-residential uses (collectively the "**Adjacent Properties**") and further the Lot or Unit may be built on land affected by amendment to the land or soil conditions (including expansive soils corrections) resulting from construction, engineering, grading, and soil preparation. Owners recognize and assume the risks of owning property adjacent to or within relatively close proximity to the Adjacent Properties and the risks of the condition of the land and soils. Such risks include, without limitation: (i) expansive soils conditions and drainage issues on or under the Property and (ii) injury to person and property arising out of, or resulting from, the operation, maintenance and use of the Adjacent Properties, noise associated with the Adjacent Properties, noise, odors, and attractive nuisances to children (all of the above being collectively referred to as the "**Property Risks**"). The Benefitted Parties have no liability for any personal injury or property damage resulting from the Property Risks. By virtue of taking title to a Lot or Unit subject to this Declaration, each Owner for itself and its heirs, personal representatives, executors, tenants, successors, assigns, invitees and licensees: (i) assumes the risk of loss, injury or damage to property or persons resulting from the Property Risks; (ii) agrees to obtain such policies of insurance as may be necessary to insure such Owner and Occupant from injury or damage to property or person resulting from the Property Risks; (iii) releases and holds harmless the Benefitted Parties and discharges from any liability for any personal injury or property damage resulting from the Property Risks, including, without limitation, arising from the negligence of Declarant and/or Declarant's agents, contractors, subcontractors, employees, officers, successors, assigns, guests, or invitees, and (iv) indemnifies (including the payment of reasonable costs and attorneys' fees) the Benefitted Parties from and against any claims, actions, suits, demands and compensations, either at law

or in equity, brought against or incurred by the Benefitted Parties for or on account of any damage, loss, or injury either to person or property, or both, resulting directly or indirectly from the Property Risks.

Section 12.2 Land Use Documents.

The Property is being developed in accordance with the land use regulations of the County. Declarant, for itself, its successors and assigns, reserves the right to obtain modifications and amendments to all land use documents, subject to the approval of the County. Such modifications and amendments could change the uses of the Property and adjacent and nearby land from the uses which are set forth in the land use documents. Declarant makes no warranties or representations whatsoever that the plan presently envisioned for the Development can or will be carried out, or that any such land, whether or not it has been subjected to this Declaration, is or will be committed to or developed for a particular use, or that such use will continue in effect.

Section 12.3 Future Development and Views.

Owners acknowledge that existing views, if any, of the immediate and surrounding areas and mountains may be subject to change or elimination as a result of future development of non-residential and residential uses, road construction, tree growth and landscaping. Declarant, Declarant's Affiliates or Builders may charge premium prices for similar houses or lots depending on a variety of factors, which may include location, lot size, cul-de-sac frontage, solar orientation or proximity to open space. The market value of these factors may be subjective. No Builder is authorized to represent a premium price as a "view" premium. Neither Declarant nor Declarant's Affiliates assume any responsibility for any representation or promise made by a Builder, sales counselor, independent broker or other agent or employee of a homebuilder with regard to premium prices. Each Owner acknowledges that development within and surrounding the Development may continue for an indefinite period, and that plans for the density, type and location of improvements, developments or land uses, may change over time. Such development may entail changes to or alterations in the access to the Development, views of or from the Development, the Lots or the Units, surrounding land uses, open space or facilities, traffic volumes or patterns, privacy or other off-site aspects or amenities. Development also may entail noise, odors, unsightliness, dust and other inconveniences or disruptions. By accepting a deed to a Lot or a Unit, each Owner accepts title to such Lot or Unit, as applicable, subject to the foregoing, and waives and releases any claim against the Benefitted Parties arising out of or associated with any of the foregoing.

Section 12.4 Separate Ownership of Surface and Subsurface Rights.

Ownership of subsurface rights, including mineral rights, oil, gas, and other hydrocarbons, underlying the Property are separate from surface rights. The owners of such mineral rights, oil, gas and other hydrocarbons and their successors, assignees and lessees reserve the right to exercise all rights of exploration, extraction and removal of the same as allowed by Applicable Laws.

Section 12.5 Safety and Security.

Each Owner and Occupant is responsible for their own personal safety and the security of their property in the Development. The Metro District may, but shall not be obligated to, maintain or support certain activities designed to enhance the level of safety or security in accordance with Applicable Law.

None of the Benefitted Parties shall in any way be considered insurers or guarantors of safety or security within the Development, nor be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

Section 12.6 Disruption from Development and Construction.

Declarant makes no warranties or representations whatsoever that construction and development will not cause certain disruptions and inconveniences to Owners or Occupants. In that regard, each Owner acknowledges and agrees that construction and development is likely to cause noise, dirt, dust, odors, traffic disruption, temporary closure of facilities and other inconveniences associated with construction and development.

Section 12.7 View Impairment.

Neither Declarant, Declarant's Affiliates, the Metro District or ARC guarantee or represent that any view over and across the Lots, Units or other Improvements, or that any open space will be preserved without impairment, nor is there any obligation to relocate, prune, or thin trees or other landscaping. Declarant has the right to add trees, walls, fences, berms, or other structures, signs, lighting, water features and other landscaping from time to time, without regard to any view impairment. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

IN WITNESS WHEREOF, Declarant, as the Owner of the Property, has hereunto set its hand and seal on the Effective Date.
